VOL. 13 NO. 34 WEDNESDAY, AUGUST 23, 1972 15¢/10¢ BY CARRIER

Council Zips Through Brief Monday Meeting

During the one hour and forty-five minute business meeting, council ratified several recommendations made at the committee of the whole meeting held August 14. Council operated with one councillor missing, Robert Hudson who is away on holidays, consequently many of the unanimously approved motions are re-

corded with a 6 - 0 vote. Mr. D. E. Grossman, speaking for Quality Construction (Edmonton) Ltd. submitted a verbal appeal, for council to give priority for development in Neighborhood 10 where Quality Construction owns a substantial amount of land. Council agreed with Mr. Grossman, solicitor for

Quality Construction that St. Albert is eyeing various areas to develop now that the supply of serviced and unserviced lots is dwindling. Considerable discussion ensued regarding water supply and treatment facilities for Neighborhood 10. On a motion by Mayor Gibson, the Neighborhood 10 issue was tabled until recommendations from staff are received. The motion was carried unanimously.

St. Albert Auto Haus, now renting at 17 Lakeview Drive, unveiled a plan for new premises Mr. G. Rohmkopf proposes for the acre and one-half piece of the Roraph Property he recently purchased. According to Mr. Rohmkopf's sketch plan, his new premises will house ample space for sales, repairs and auto body work. In addition to his business premises, Mr. Rohmkopf announced that he will have ample storage space on his property for vacation vehicles such as trailers, motor boats, and the such.

Plans were studied and approved by Mr. J. Wood-

According to Superintendent Jim Radke of Bennett and White General Contractors, this \$1.3 million project is right on schedule and will be completed as projected in mid-December 1972.

Local Medical Facilities Impress Hiroshima Doctor

Dr. K. Ogawa and his wife Fuji of Hiroshima, Japan arrived here in St. Albert last week to visit with their daughter and son-in-law Dr. and Mrs. Yasu Hirasaka of 45 Bellevue Crescent. Dr. Hirasaka is a biological scientist with the Federal Canadian Forestry Service. He has been in Canada for nine years.

Dr. Ogawa and his wife are presently enjoying their first holiday in the Western Hemisphere. Previous holidays were always restricted to the Orient, until they decided to visit their two daughters. One lives in the

State of Illinois, U.S.A., and the other here in St. Albert.

While enjoying their brief stay in St. Albert, Dr. Ogawa, who is in general medical practice in Hiroshima, Japan, particularly

enjoyed touring the Sturgeon General Hospital, local medical clinics and allied health facilities in the area. Dr. and Mrs. Ogawa told The Gazette they had not

Sports action at Morinville

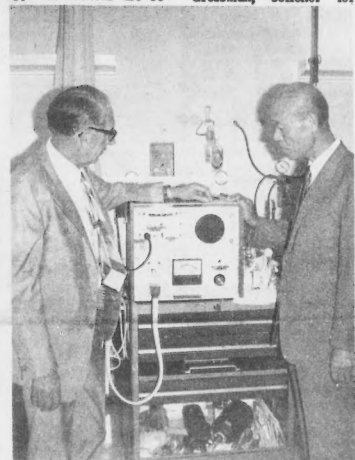

Baseball action will open the Morinville Sports Day events on Sunday at 11:30, when the opening in the North Central Baseball League championship playoff gets underway.

Then the scene shifts to the track for the always popular demolition races, with a large entry from

the district. Chuckwagon and Chariot races follow.

Meanwhile the midway will be open all afternoon with rides for the kids and concession service for all.

At five o'clock the final game of the baseball championship is scheduled and a big steak barbecue. Admission only \$1.00.

Two doctors, from opposite sides of the world met last week and compared notes. At left is Chief of Staff at the Sturgeon General Hospital Dr. Walter Mirlin showing some of the equipment used in the intensive care unit to Dr. Ogawa of Hiroshima, Japan. Dr. Ogawa was visibly impressed with the modern medical facilities he saw while visiting here.

Library Adds 15 Hours To Winter Schedule

Starting next Monday, August 28, when school once more begins, the St. Albert Public Library will shift to winter hours. At the same time, new policies regarding loans will go into effect, for the convenience of all St. Albert residents. In an effort to promote these changes the Public Library will have a booth in the Shopping Mall this weekend.

New additions to the library will be on display as well as a cross section of the library's growing book collection. In addition, special bookmarks and reading lists in various areas will be distributed to inform St. Albert residents about their library. Also, new memberships may be taken out at the booth for those who have "just never bothered to climb that hill." All this is an effort to promote the library and particularly the changes effective next week.

Starting August 28th the Public Library will be open from 12 noon to 9 p.m. Monday to Friday. On Saturdays the library will be open from 10 a.m. to 5 p.m. These new hours of opening represent an increase of 15 hours a week over last

Council Goes In Camera To Discuss Big Secret

The regular meeting of council Monday evening was a rapid-fire affair, in that it was all done and over with by about 9:15 p.m. Then, as per motion by Councillor J. J. Bakker, and approved unanimously by Mayor Gibson and four remaining councillors, the doors were locked and the balance of the meeting was held in camera.

There was some discussion as to whether Secretary-Treasurer Bowen be allowed to remain. Councillor J.

The St. Albert Day Care Centre is to open September 1st, and is presently advertising for applicants. As of August 21 a list of 11 applicants had been filed with the provincial department of health.

The budget for day care submitted was for a gross of \$29,573, with revenue expected \$17,500. This leaves a deficit of \$12,073, which will be provided for by the provincial government 80% (\$9,658.40) and by the Town

of St. Albert 20% - \$2,414.60

This budget was based on 40 children at an AVERAGE of \$3 per child per day, for 147 days. In order to conform to fire regulations, certain renovations must be carried out at Elim Pentecostal Church premises of the centre, such as an asbestos door, exit signs, fire proof paint etc. Total renovation cost is not expected to exceed \$800.

The budget was also drawn up with Mission Park in

mind as premises, and a considerably higher allowance was provided for renovations.

At Elim Pentecostal Church the rental will be \$120 per month.

The province will pay only 80 per cent of the actual deficit, and in no circumstance will it provide more than the budgeted \$9,658.40. If the deficit is more than this figure, the onus is on the town to pick it up.

Neither the province or

the town is required to pay out funds for the Day Care Centre in a lump sum. The act provides that each government authority may pay on a monthly basis, on receipt of a written cost revenue statement from the authorized treasurer of the Day Care Society.

Day Care Centre records from other operations in the province show that enrollment doesn't reach capacity for two or three months after the centre opens.

deBrujin voiced his opinion that the secretary-treasurer remain on the job to take minutes. On that note, the council chambers were cleared of several members of the public and representatives of the news media.

A brief telephone conversation Tuesday morning with Mr. Bowen revealed simply that the issue discussed behind closed doors was a sensitive one and could not be discussed at this time.

Workmen with the St. Albert Public Works Department started working on a portion of Perron Street Tuesday morning. They are seen breaking through the hard surface at the south threshold of the bridge while getting at the storm sewer. Repairs are expected to take about one week, during which time the bridge will be closed to vehicular traffic.

roffe, town planner and Mr. J. Roberts, building inspector. Motion to ratify the recommendation was unanimous.

Application for a development agreement is being considered for Messrs. Frank and Eddy Joyal who appeared before committee on August 14. Although the Joyal Brothers' sketch plan for a general store, commercial development including suites met favorable comment, conditions will have to be complied with before negotiations can continue.

The Joyal Brothers' property, lying West of Perron Street and immediately South of Mission Avenue and the Sturgeon River where Chris's Store and the Teen Centre now stands) would become a major L-shaped business complex completed. But the application as it stands is for the complex to be developed in at least two stages. The first would be the construction of a store, followed at a designated date by commercial outlets and second floor suites.

After considerable discussion, Councillor Kambourff made a motion that the Joyal Brothers' application be approved subject to the conditions set out by Mr. J. Woodroffe, also providing the entire development is executed without staging. The motion also spells out terms and conditions of sale. The motion was again blessed with unanimous approval.

Under new business Councillor R. Thronson made a suggestion which might alter the order on the agenda paper. He also asked that staff bring in reports on the disappearance of trees on town boulevards; on the destiny of St. Albert's man-made mountain on the present condition of outdoor skating rinks and the traffic lights. Councillor Thronson was promised reports on these matters.

Councillor Kambourff lodged a complaint again on the deplorable parking conditions along Sturgeon Road. He repeated an earlier observation that homes and

apartment blocks have already been erected in that area but no parking provisions have been made, thus leaving residents with no alternative but to park along Sturgeon Road. Councillor Kambourff also voiced concern over an unsightly stretch of fencing, abandoned car hulk and overgrown grass on boulevards. Councillor Kambourff was informed that staff will investigate and report on the matter.

Councillor John deBruijn asked staff to check-out the situation regarding storm sewers running behind the new AGT Building and the one next to the Arena. Councillor deBruijn also questioned the town staff situation, especially in regard to filling existing vacancies. "It seems to me," said Councillor deBruijn, "it's taking a long time to fill the three existing vacancies, namely that of the assistant secretary-treasurer and the two clerks."

Councillor deBruijn was informed that staff was doing everything possible to fill these vacancies but during holiday time, it was difficult to find the right applicants for the existing jobs. The councillor ended his report on new business with the comment that it appeared to him various town department heads should co-ordinate more closely, especially while development agreements are being drawn up. He asked for a report.

Councillor J. J. Bakker had three requests to make: (a) that spending priorities be placed on the agenda for the next Committee Meeting, (b) that a pedestrian sign be erected at the corner of Grosvenor Blvd. and Grenfell Ave. and (c) a report on capital expenditures due to date.

Councillor Frank Lukay asked for a report on the proposed stairway north and east on the underpass. Then he suggested that citizens at large be given about 15 minutes before every regular meeting during which time they could discuss problems with council. Councillor Lukay made this in the form of a motion which was carried 5-1. Councillor deBruijn was opposed.

Mayor Ray Gibbon simply reminded all members of council of the AUMA Convention arrangements in Lethbridge scheduled for October 25th.

Library Technician

The St. Albert Public Library is looking for a suitably qualified person to take on a full time position as a library aide. Duties would include assuming responsibility for the records and files within the library; supervising general circulation duties; handling library correspondence; the orientation and supervision of clerical staff; performing a variety of semi-professional duties.

Applicants must have a high school diploma and have completed a technical course in library arts or an equivalent combination of experience and education, including knowledge of library and business procedures; supervisory experience, and ability to meet the public.

Resumes should be submitted immediately to: Mr. Don Mills, Librarian, St. Albert Public Library, Churchill and Gradina, St. Albert, Alberta.

St. Albert Girls In Munich Today

The 106 member Alberta All Girls Drum and Bugle Band arrived safely in London, England on August 9 and was greeted by the Lord Mayor of London at a civic reception, plus front page coverage in a London newspaper, printed in the Band's colors of orange and white.

They have been treated royally everywhere they have appeared and have been given many gifts by various civic officials.

Amongst the 106 young ambassadors are five young ladies from St. Albert. They are: Carol and Maureen Rid-

dell, 11 Salina Drive; Beverly Lewis, 20 Bellevue Cres.; Jill Plastera, 9 Bellevue Cres., and Pam Innes, 17 Sonora Drive.

Saturday, August 12, they performed at Trafalgar Square and were covered by BBC television and radio. Later that afternoon they performed at Wembley Stadium to thunderous applause.

Sunday, August 13, they toured Woburn Abbey and had tea in the evening with the Mayor of Enfield. The mayor announced Enfield's "Edmonton Carnival" will be held September 2nd and requested that the Alberta Band girls attend the festivities. Arrangements are being considered, even though the girls were due to arrive home in Edmonton the same date.

According to the schedule provided to The Gazette through Mrs. Doug George who serves as liaison between Mrs. Pat Nagel of the Alberta All Girls Drum and Bugle Band and Alberta news media, the band will be performing for the big event today (Wednesday, Aug. 23). The band extravaganza in Munich is intended to add just that much more "punch" to Ed-

monton quest for the Commonwealth Games in 1978. After the big show in Munich, the band will perform in the City of Lahr then return to Munich on August 25th for the Flame Reception Ceremony, Olympic Games.

On August 26 the band will return to the City of Lahr, then perform in Holland on the 29th, return to London and probably head back for home Sept. 2nd unless the band director decides to remain an extra day for the Edmonton Carnival scheduled for Enfield.

The girls are flitting very little free time on their tour as they are being asked to perform at many unscheduled places. Earlier in the week they were at Piccadilly Circus and also performed at the birthday party for the grandson of the Duke of Bedford, which was an unexpected treat.

The biggest thrill so far for the Band is an opportunity from Capital Records in London who want to cut a record of their unique music.

and teachers in the town. In addition to longer hours the library's policy regarding loans will be changed to allow up to six books out per person at a time. This change should encourage more loans and is being made in view of the sharp increase in the library's collection certainly by next spring. So not only will there be more for everyone at the library, but everyone will be allowed more!

And don't forget to look over the library's expanded selection of magazines, all of which may be borrowed. The library keeps all back issues of its magazines for reference and these are available for loan as well.

The library expects to be adding over 5,000 books to its collection during the coming months. Hopefully, there will be something of interest for you. But if you don't see what you're looking for, please ask us. We are here to serve your reading needs.

For the information of the many newcomers to St. Albert, the Public Library is adjacent to the Town Hall, there is plenty of parking space, and registration fees are \$2 per family or \$1 per person per year.

expected to find such modern and sophisticated facilities and equipment in a centre such as St. Albert. "We didn't even expect such modern facilities in far-away places such as Edmonton," Dr. Ogawa said.

Through his daughter, serving as interpreter, Dr. Ogawa explained that his practice in Hiroshima, a city of about 800,000 people is mostly one of general medicine operated from private office quarters. He further explains that he admits patients to Hiroshima hospitals, very much like general practitioners do here in Alberta. Asked if he makes home calls, he replied in the affirmative.

When asked about the appearance of Hiroshima today, he graciously said that there was no evidence of damage caused by the bomb excepting for a few monuments. During the war Dr. Ogawa taught medicine in Tokyo while his family lived about 100 miles away from Hiroshima.

The Ogawas and Hiratsukas plan to spend several days visiting Alberta's famous summer resort areas and The Rockies.

Leggetts lose infant daughter

Mr. and Mrs. Richard Leggett, whose loved daughter, Jennifer, died at 4:30 a.m. Tuesday, August 15, 36 hours after birth, feel that they are "most fortunate to be living in St. Albert. Everyone has been so wonderfully kind."

Dr. Mirlin and the staff at Sturgeon General Hospital, the St. Albert ministers, and our neighbors and friends have given us such understanding help and support that a sad and difficult time has been made much easier for our family. My wife June and myself, and our children Jillian, Stephen and Gail are truly thankful to these people in our town, said Mr. Leggett.

The Reverend Len Musto officiated at a private service for Jennifer on Friday afternoon, August 18, and interment was in Westlawn Memorial Park, Edmonton.

of stamina. However, following a visit to the campsite by several bears, who were a might upset with some horses tethered near the campsite by their Indian owners, and the ensuing uproar, Thora and Mrs. Muldoon are now in a trailer park at Jasper. The young hockey enthusiasts are safely quartered in a friend's home at Grande Cache. Fortunately for Thora she did not have to cope with Lorraine Mitchell during the hassle over the bears, which would have been a problem of greater magnitude than the bears. Lorraine had to change her plans to accompany Thora when her daughter was taken into hospital for a tonsillectomy.

It may date us, but who remembers the favorite song by the community's

best vocalist at social functions back in the thirties, which told the story of the young lady who told her suitor she wouldn't marry him till apples grew on the lilac tree, and next morning she's out tying apples on the tree. A modern parallel has occurred in St. Albert and came to light when Dave Cunningham celebrated his 21st birthday on August 18. The occasion reminded some of the young people of a birthday party held two seasons ago at 59 Gordon when some bottle caps were planted in the garden. When Ray and Eileen Gibbon returned from dropping in to congratulate Dave, they were delighted when they discovered 12 nice cool bottles growing on branches of a tree in their yard.

Jocelyn Garlepy, 35 Geneva Cres., Marilyn Kelly, 5 Sycamore, Kim Smith, 24 Greenwich, and June Fraser

of Gibbons attended a Girl Guide music and handicraft camp at Sylvan Lake from August 8-15, which involved 34 guides and rangers from various parts of Alberta. They received instruction in crafts, music and drama from qualified women from Edmonton, Lethbridge and Calgary. The girls were also shown how to make simple musical instruments by a representa-

tive from the provincial department of Culture, Youth and Recreation.

It isn't often that wedding guests arrive at the church in a gaily decorated bus, but that is what happened at the Reid-Kelly wedding. A number of friends of the Reids travelled to St. Albert from Chilliwack in a family bus, which they decorated on arrival with banners "Get me to the

church on time"; "Break Reid or bust" and other appropriate items. With some 35 out of town friends at the Reid home, the bus did indeed get over 20 people to the church on time. Between trailers in their yard and a rampus room converted to dormitory plan, the Reids enjoyed visiting with this large group of relatives and friends over a two-week period.

Gazette Reader Comment

Nothing accomplished

The Editor:

At last the general public has a slight inkling of the local Preventive Social Services operation, thanks to Mrs. Stibbe, a member of the Board of PSS.

Evidently revealing any information of that elusive department is the equivalent

of treason. The head of the board or board as a whole may not shoot Mrs. Stibbe but the skuttletub is that they have asked for her resignation.

Is the requisite for sitting on a board in this town that you DO NOT question and always agree with the

leader?

How about the PSS Day Care Centre? Now you don't even have to be a working mother. That in my book makes it a babysitting service.

I think it is about time our town council issued a breakdown of budget to all of our taxpayers, reporting on the progress and cost to date of PSS and please explain why this PSS department is allowed to hold closed meetings and is evidently responsible to none in regard to spending public tax money. It may come as a surprise to the Board of PSS but in spite of the closed meetings it is very hard to keep secrets in this town and one big secret has evolved from PSS and that is "Nothing Accomplished."

Marjorie Davis.

Shocking?

The Editor:

Last Sunday our family was having a quiet supper in Lions Park.

At the adjacent table a large group of adults and children were also enjoying a quiet supper - with nice cold brew - it looked lovely.

All was peaceful until our one year old baby deciding his diaper was wet, removed it and blissfully crawled in the grass bare-bottomed. At this shocking display one of the ladies at the next table loudly demanded that we "put some pants on that kid!"

I wonder at the illegality and immorality of a bare-bottomed baby in the park as opposed to the illegality and immorality of adults and minors drinking beer in the park.

I suppose it takes all kinds, 'Properly Chastised' (Name Withheld).

Story Hour At Library Ends Friday

Friday, August 25, will mark the end of the very successful Preschool Story Hour at the St. Albert Public Library. Great festivities are planned for those many pre-schoolers who have been attending during July and August. There will be a color-in for each child to draw a picture from his or her favorite book. These pictures will then be displayed in the library. In addition to the regular stories, games and songs, there will be a presentation of a knock-down, drag-'em-out Punch and Judy show. Decorations, music, and refreshments will round out the celebrations.

For the past six weeks over 50 pre-schoolers have gathered at the library every Friday at 10 a.m. for an hour of stories, games, films, songs and puppets, not to mention lemonade and

cookies! This overwhelming response indicates the need for a summer activity for the pre-schoolers and the Public Library is pleased to have sponsored the Story Hour.

The youngsters have gained from the social interaction as well as from their enjoyment of good stories and games. No session would have been complete without a visit from the Coolie Monster and his friends.

In mid-September the library will announce a six-week series of story hours for pre-schools which, if demand requires, will be held twice a week. Watch The Gazette for further information.

The Edmonton Moose Lodge No. 772 held its sod-turning ceremonies recently at their new site on 142 Street and north of 137 Avenue. Dignitaries taking part in the ceremonies included Mayor Gibbon of St. Albert, Alderman Una M. Evans acting on behalf of the City of Edmonton, Harry Wilson, Governor Edmonton Lodge No. 772, Hon. Horst Schmidt, minister of culture, youth and recreation, Province of Alberta and A. C. Furrow, regional director of Billings, Montana. After talks were heard and the dignitaries took part in a tree planting ceremony, visitors were given a tour of the area where the new 10,000 square foot premises will be located. The Loyal Order of Moose, Edmonton Lodge are looking forward to the new premises being completed.

St. Albert residents who are secretaries of clubs and organizations which will require accommodation under the Joint Use Agreement, should get applications in to the recreation department at Town Hall as soon as possible.

George and Sheila Willis and family are back, looking tanned and fit, from a holiday at Christina Lake, where they had great lake weather - very hot and dry. If friends of George can get a mental picture of the big fellow and a policeman slowly sinking into the lake, fully clothed and standing on a portable boat ramp, while the police

officer is writing out ticket, they will know why George is still chuckling. It appears that the friend's boat George was driving did not have the proper license. After tagging him in the lake the policeman put out the ramp and stood between the two boats, getting out his ticket book. Then George stepped on the ramp! The business was finally completed with George and the officer standing waist high in the lake.

The Chris McDonnells stayed close to home for their summer vacation, making short trips to various golf courses such as Lacombe and Leduc for a couple of days at a time. They also undertook to paint the rather high fence on their 120 foot lot and completed this project on both sides - a fair bit of painting, says Chris.

Many people were agreeably surprised to see our professor councillor join his colleagues in the BI recreation centre following Monday night's council meeting. Flabbergasted would be a better word. The councillor, with a record of standing close to the top in election polls has a practically nil record of attendance at the BI premises.

Saints Advance On Playoff Trail

St. Albert Willowbrook Saints baseball club advanced into the semi-finals of the Sunburst Baseball League by eliminating the Burns Shamrocks in the best of three series.

Saints won the opener in St. Albert August 2 by a narrow 4 - 2 score with Don Hodgson's homerun in the seventh breaking a 2 - 2 tie. Glen Winder was the winning pitcher allowing only four hits while striking out 10, Dennis Fitzgerald took the loss.

DON HODGSON

The second game on August 8 ended in a 4 - 4 tie called due to darkness. Saints had a 4 - 2 lead going into the eighth inning but allowed Burns to tie the game on a double by Brian Betts and a homerun by Ross Marion. Saints had their chance in the eighth also with Wayne Biggs and Larry Murray getting singles but were stranded on second

and third when Chester Cunningham and Rich Perrault struck out. Larry Murray was on the mound for the Saints while Ross Marion pitched for Burns.

The third game was Burns all the way. They jumped on Saints chucker Wayne Biggs for six runs in the second inning on four hits and two walks. Burns added two more in the fourth and seventh innings and put it out of reach in the eighth with three more for a 13 - 3 win. Dennis Fitzgerald took the win allowing eight St. Albert hits while recording seven strike-outs.

In the fourth and deciding game St. Albert took advantage of two overthrows on third base to score two runs in a close 2 - 1 win over Burns.

Coach Larry Murray led off the second inning with a double and advanced to third on an infield out by Rich Perrault. The throw back to third got away from Burns. Arnie Ostafchuk and Murray scampered home. In the top of the sixth Ernie Hee of Burns also scored when he reached first on an error and came home on Brian Betts double.

Saints scored their winning run in the last of the sixth after two were out. Arnold Bailey and Larry Murray both went down swinging. Right-fielder Rich Perrault then doubled and went to third on an error by Burns pitcher, Brian Betts. Betts throw to third went astray and Perrault came home with the winning run.

Glen Winder picked up the win for the Saints allowing five hits and striking out eight. Brian Betts took the loss.

C.J.D. wins championship in Sturgeon Fastball League

A double by winning pitcher Dick Bird in the eighth inning followed by a run-scoring single from Jim Cozac, gave CJD A1 an extra inning 6 - 5 win over Stony Plain Playboys Monday night in St. Albert.

The win gave the CJD A1 squad the Sturgeon Valley Fastball League trophy presented by president Mike Hampel.

The best of three series are all hard fought games with CJD taking the opener - 1 in St. Albert, then losing 5 - 0 in Stony Plain last week.

Stony opened up strong in the first inning with a triple by Clarence Berndt, a run scoring single by Dennis Zutz and another RBI by Vic Boychuck.

CJD managed to get one run back at their first bat with lead-off batter Brian Zamiski hitting a double and scoring on Danny Roberge's double.

Both clubs picked up two in the third. Wilf McGinn was hit by a pitch and came home on another triple by Clarence Berndt. Berndt scored on a long fly to right field to give Stony a 4 - 1 lead.

CJD's runs came on a single to centre by Roberge and a double by Bird, Catcher Larry Cote brought both home on a single to centre to pull CJD to within one run.

CJD took the lead in the fourth when George Fraser

singled and scored on Brian Zamiski's triple. Zamiski came home with the go-ahead run on a single by Tom Reed.

In the sixth Vic Boychuck drilled a hard shot into left field for a double and scored easily on pinch-hitter Lawrence Shep's triple over centre field. Shep tried to stretch the sure triple into a home run but was tagged out on an excellent relay

from Fraser to Roberge to catcher Larry Cote.

Cozac's single scored Lawrence LaForte, running for Bird in the extra inning to win the game for CJD.

Dick Bird allowed eight hits and struck out nine in posting the win.

Gerald McGinn gave up 10 hits and struck out two in taking the loss.

Morinville Manufacturers Win Devon Tournament

Morinville Manufacturers sponsored by Craig's Manufacturing, defeated the Alta Sweet Honey Cardinals 7-4 in the final game to win top money at the annual Devon Kings baseball tournament.

Morinville were down 4-0 after four innings but scored once in the fifth and broke the game wide open in the seventh, with six big runs.

But Pyluk came in to relieve in the sixth and held the Cards scoreless while getting credit for the win.

Pyluk also was the winning pitcher in a 9-0 win over Calmar Cubs in the tournament opener.

In the semi-finals Larry Perrott also threw shut-out ball as the Manufacturers defeated the host Devon Kings.

The tournament win should be a good morale boost to get the Manufacturers up for their league playoffs this Sunday in Morinville.

Local Golfer Fires 202 Yd. Hole-In-One

Every golfer dreams of making a hole-in-one . . . Shawn Harvey, 21 year old son of Mr. and Mrs. Ronald H. Harvey of 52 St. Michael Street, St. Albert had his dream come through Tuesday evening at the Sturgeon Valley Golf and Country Club.

Shawn, his father Ronald and an associate golfer Jim Drysdale of 45 Grosvenor Blvd., were out on the links Tuesday to play a quick nine-hole round when Shawn drove a perfect line shot into number 6 cup.

The happy trio finished their 9-hole game, turned in their score card with witnessed signatures verifying Shawn Harvey's hole-in-one on number 6.

This intentional 'fluke' shot as Shawn calls it qualifies him for the Canada Dry Ltd. trophy and through Mol-

son Brewery Alberta Ltd., a crippled child will be paid a week's vacation at one of the popular summer camps operated for the handicapped.

"I couldn't believe it at first," Shawn said, "but dad, Mr. Drysdale and I walked up to No. 6 hole and sure enough my ball was lying there." Shawn's father and Jim Drysdale, a St. Albert realtor witnessed the feat.

Ralph Strand, assistant pro at Sturgeon Valley Golf and Country Club told The Gazette that Shawn's hole-in-one is the fourth so far this season at the local golf course. The first three of the season were all made on hole number 2 which is a par 3 of 145 yards. The three aces were scored by Paul Lucas of Edmonton, Carl

Bruin Inn Cyclist Comes In Second

Last Sunday, three St. Albert Bruin Inn riders competed in a grueling 100 mile time trial held on Highway 14 East. The event was sponsored by Raven's Poultry Farm and drew competitors from Edmonton, Calgary, Red Deer and St. Albert.

The riders started at Cooking Lake at three minute intervals and followed Highway 14 to Bruce 50 miles east where they turned and retraced the same route back to Cooking Lake. They were hampered on the 2nd 50 miles by a 15 m.p.h.

New York Life from Edmonton scored a close 3-1 win over the Calahoo Chiefs in the final game of A section to win the annual Calahoo Sports Association fastball tournament. The tournament was held under perfect weather conditions, which was probably helped by Hector Berube. Hector was seen Friday night near second base kneeling down with his hands raised towards the sky mumbling something or other.

Chiefs, playing before a large crowd, opened the scoring early when lead off batter Emile Berube drilled a shot into left field for a double. He later stole home on a close play when Gail Refshauge grounded out.

The lead was short-lived however, when the second batter for NYL hit a home run over left field fence.

Three consecutive singles produced another run which proved to be the winner. Both clubs played good defensive ball for the next five innings.

New York opened the sixth with a single and the next batter walked. A pinch hitter was brought in and promptly hit a three run homer over centre field fence to close out the scoring and give NYL a 5-1 victory.

Calahoo opened the tournament Saturday with a 9-3 win over Pibroch with Ed Chacowski going all the way on the mound. Chiefs opened a 2-0 lead in the first inning on Larry Mitchell's double, scoring Wilf Berube and Chacowski who had singles.

The lead was increased to 5-0 in the second with singles by Emile Berube, Wilf Berube and an error allowing Chacowski on. Mitchell singled to left field scoring two more. Stubb Berube continued his hitting streak with a perfect three

for three at the plate plus some fine catches in the outfield.

In the semi-finals Calahoo scored a close 7-4 win over Western Movers with the help of two home runs by first baseman Gail Refshauge.

Chiefs took advantage of some Mover infield errors to score their first two runs in the first inning. Western tied the game in the second on two walks and a double. Refshauge's first homer put the Chiefs one ahead and after Stubb Berube's single, brother Roger doubled to give Calahoo a 4-2 lead. Chiefs scored two more in the sixth on a double by Roger Berube and consecutive singles by Gary Atchison and Emile Berube.

Refshauge second homer of the game rounded out the Chiefs' scoring. Western managed single runs in the sixth, and seventh but couldn't overcome the Chiefs' lead, who advanced to the finals.

be a 20 mile race for school boys under 16 on the same circuit and this event is open to all who wish to enter. Tomorrow (Thursday) the sixth and last of the races for the Purple Dole trophies will be held at 7:30 p.m. on a one mile circuit by Blanche Neen Signs on the St. Albert Trail. The race is open to all.

Landfill Site Destiny Now In Hands Of L.A.B.

The destiny of 10 acres of land, under fire as a proposed sanitary landfill site about one mile south-west of St. Albert, is now in the hands of the Local Authorities Board. Mr. A. G. McGregor, chairman of the board, accompanied by Mr. I. Morris, solicitor and also member of the board, heard testimony during two long days at separate sessions. The first part of the hearing was held July 25 and the final session took place last Thursday, August 17. Mr. McGregor refrained from predicting when a decision on the matter would be made public.

The sanitary landfill issue in St. Albert came to the fore when the town's 6.13 acre site located on River Lot 55 became obsolete in 1971 after being in use for over 20 years. Refuse was then taken to the Cardiff nuisance grounds until that agreement with the Municipal District of Sturgeon was terminated. St. Albert town then conveyed its refuse to the Beverly sanitary landfill site as per agreement with the City of Edmonton. The costs and the inconvenience of this temporary arrangement still leaves St. Albert looking for a suitable site.

ONE YEAR AGO

Exactly one year ago, August 17, 1971, the Town of St. Albert made application to the Municipal District of Sturgeon to acquire about 10 acres of land, owned by Harold Hood, operator of North-

ern Alfalfa, located about one mile south-west of town and contained within the boundaries of the municipal district of Sturgeon. Following a hearing, held in the MD offices, the request was denied, based on opposition received from residents and business firms. The case was then referred to the Local Authorities Board.

Solicitor for the Town of St. Albert, A. M. Brownlee called a total of nine witnesses during the two-day hearing while 12 submissions, opposing the landfill proposal were heard.

The Town of St. Albert's case can be summarized quite briefly. Through expert probing, tests and studies, the Town presented its case indicating that the proposed site would be economical to operate and would not be the cause of environmental damage, would not threaten water supply nor would the installation emit offensive odours or litter in the area.

The above statements were technically substantiated by all witnesses called by town solicitor, A. M. Brownlee. Mr. Victor Raymer, director of solid wastes for the City of Edmonton, in his testimony said that there were no offensive odours coming from the Beverly sanitary landfill operation. "We have not received a single complaint this year," Mr. Raymer said. When asked if complaints had been registered with his department prior to the Beverly operation was converted to the sanitary landfill concept, he said, "yes we used to get many complaints every day."

"WE DO NOT"

"And you don't get complaints now?" he was asked by A. R. Weeks, solicitor representing the Proctor Estate. Mr. Raymer repeated, "we do not."

Solicitors representing individuals and firms opposing the application called a number of residents who live near the Beverly landfill site. A housewife and two independent male residents, testified that the odour originating from the Beverly operation "on some days is overwhelming." However, the witnesses were not entirely prepared to give evidence as to where specifically these smells originated from.

The hearing was informed by Mr. Raymer that the Beverly 'dump' was at one time a very sloppy operation until late last year when the 'dump' operation was converted into a sanitary

landfill operation.

Mr. Raymer suggested in his testimony, "perhaps the people testifying here are talking about the old 'dump' and not our present sanitary landfill operation."

Co-owner and president of Golden West Golf Club J. O'Brien made several comments during the hearing. His contention is that if the 'dump' is allowed to go in at its proposed site, right across the road from the golf course and recreation area, he predicted, "it's going to affect our business like the kiss of death."

DEATH WARRANT

Mr. Percy Royal, a professional social consultant and qualified to testify on effects of social planning summed up his studies on the issue by telling the hearing, "if the sanitary landfill operation is allowed to go into the proposed site," he said, "this will be tantamount to signing the death warrant of the Golden West Golf operation." Mr. Royal added that he had personally interviewed about 50 patrons of the golf course and asked them if they would continue patronizing this sporting facility if there was a sanitary landfill site across the road from it. He said, "the large majority of those people I questioned said they would not."

When asked by solicitor for the town, A. M. Brownlee, if those questioned were aware of the difference between "a dump and a sanitary landfill operation?" Mr. Royal replied that he explained the difference to every person he questioned. A member of the St. Albert Town Council, R. Hudson, who served on the sanitary landfill negotiating committee was called in from his holidays in Vancouver to testify at the hearing.

Under questioning by Mr. Brownlee, Mr. Hudson told the hearing of the difficulties

Town Council had encountered during the many months of negotiations. He did reveal, however, that while he attempted to encourage Golden West Golf Club to withdraw its opposition to the proposal, one of the co-owners of the golf club, Walter Kuhn related his opposition to the project, if he could be given the job of covering the garbage at the site. Present while this was being discussed was Mr. Harold Hood, owner of the land on which the site would be located. Mr. Hood also concurred with Councilor Hudson's testimony that Mr. Kuhn would favor the site if he got the job to cover the garbage with landfill.

HINT DENIED

Mr. Kuhn emphatically denied both statements made by witnesses for the town. Mr. Kuhn said, "I discussed the cost of renting heavy equipment to landfill the garbage, but I never said I garbage, but I never said I'd be in favor of the dump being located there. I was never in favor and I haven't changed my mind," he concluded.

During the final hours of the second session of the hearing, Mrs. Margaret Stauffer whose land lies in the vicinity of the proposed site made a personal submission against the proposal. She asked the chairman Mr. A. G. McGregor if a submission would be heard from the Municipal District of Sturgeon. Mr. McGregor replied, "I called out, at the beginning of today's session, if there was someone from the MD of Sturgeon, and no one came forward," he said. He added that he took this to mean that the MD of Sturgeon was leaving their submission stand. Mrs. Stauffer expressed her opinion, "well, they certainly should be represented here." She then revealed to the hearing that

she had phoned the secretary-treasurer of the MD of Sturgeon, Alphonse Norbert and asked why someone from the MD Council wasn't present. She said Mr. Norbert told her that the MD had submitted a letter.

This brought about an uncomfortable moment in the hearing. Chairman A. G. McGregor admitted the board had received a letter from the MD of Sturgeon, "last night, but it brings

forth an entirely different stand on the matter, to the one the MD previously submitted," he said. He circulated the letter to all solicitors present, A. M. Brownlee, R. A. Weeks and D. J. Tilley. On a motion by Mr. Brownlee, the letter was filed and the change of stand it allegedly contained was ruled inadmissible.

The hearing terminated at about 7 p.m. and all lawyers were advised to submit their summations to the LAB on or before Sept. 8th.

The Supper Lions have become very efficient "green grocers" during the past week and in view of their success, they plan on continuing with the sale of fresh vegetables and fruit at Lions Park here in St. Albert.

Ways and Means Chairman, Bill Weber announced that the Supper Lions will continue their fund-raising sales every evening and all through weekends for the next three weeks or so. "We've had such a great response from the people of St. Albert and surrounding communities that we'll just keep on selling," he said.

The first day of the sale, last Saturday, total sales of garden fresh vegetables

came to \$288.00. On Sunday, sales reached about \$100. Stock is trucked in from Lois and Ted Hole, market gardeners located just north of St. Albert. Lions George Simpson of 2 Swallow Crescent, with his half-ton truck has been doing most of the hauling from the market gardeners to Lions Park. Lion Dick Riley, 32 Geneva Crescent, and president of the Lions says a good number of Lion volunteer helpers have kept the project going smoothly. Lion Glen Ward of 133 Grosvenor Blvd., admits that retailing carrots, lettuce, beans and the such is a lot of fun, especially when customers express surprise at the bargain prices.

Fresh vegetables are being picked up by eager customers almost as quickly as they're being collected from Lois and Ted Hole's market garden located just north of here. Local Supper Lions have already sold dozens of garden fresh peas, carrots, lettuce and all the other goodies one can drool about. Librarian's topic at Day Care meeting 'Instamatic child'

Parents who attended St. Albert's Day Care Centre registration night Monday were treated to an entertaining and informative talk by Don Mills, town librarian. His topic - Today's

instamatic Child: Underdeveloped or Overexposed? emphasized the need for parents to be selective in their choice of play and reading materials for their children. Mr. Mills contends that due to the over-

abundance of stimuli in today's world, there is a danger children will become passive and this "underdeveloped" to things that merely entertain them, rather than involve them. These activities which actively stimulate and encourage creativity in children (such as creative play, puppetry, storytelling, etc.) are extremely desirable.

Mr. Mills also outlined some of the special services the library can provide to the Day Care Centre such as supplying films and an ever-changing selection of excellent books for preschoolers. Library staff will also visit the Centre periodically with puppets and other creative activities for the children.

Pit expertise creates great barbecued beef

By Liz McLeod

It's always pleasant when neighbors and friends get together for an evening and August 16 was no exception when, at the Gazebo, a barbecue was held for our senior citizens.

Miss Marjolaine Chamberland and Mr. Laurent Coulombe, employed by the MD through the STEP program, came out to entertain.

The few people who attended, Mr. and Mrs. Fred Labonte, Mr. and Mrs. John Groppe, Mr. and Mrs. Werner Christen, Mr. and Mrs. Myles Kerr, Mr. and Mrs. Ferdinand Liszewski, Mr. and Mrs. Radjo, Mr. Frank Gawron and Mr. Alex Kerr greatly enjoyed the delicious hamburger and trimmings that were served that evening.

Since Marjolaine and Laurent will be unable to continue they asked that the community pick it up and continue to meet. Dena Groppe was chosen the leader with Myles Kerr assisting and they plan to meet again in the Gazebo on August 31st at 8:30 p.m.

School Students Ready To Return To Classes

Thousands of school students will have to give up summer holidays Monday, August 28 and return to their respective classrooms for another term. Students attending schools in Legal, however, get an extra week off because their schools will not open until September 5th.

On opening day, August 28, students registering at the St. Albert Protestant Separate School District No. 6 will be called upon to register at times designated by the alphabetical order of their surname. (See complete details on Page 13 of The Gazette, dated August 16th). This system has been devised to expedite registration of students in elementary and junior high grades. Senior high students are given three days, Aug. 23, 24 and 25 to pre-register. During those three days, it is anticipated that all senior high school students in the

district would register. Then, on August 28 and 29 general registration of other students will take place. (See advertisement for date and time).

Buses for No. 6 school system students will commence August 30 and schedules will be given to all students upon registration. Regular classes will begin Wednesday, August 30.

At St. Albert Public School District No. 3 grade 1 to 7 students will register August 28 at the schools and times designated in the advertisement published in The Gazette of August 16. Grade 8 and 9 students will also register on Monday, August 28 at Father Jan Junior High School at 8:50 a.m. Grade 10 students are called upon to register August 24 between 9 a.m. and 2 p.m. while Grade 11 and 12 pupils will register the next day during the same

time period. Students who have pre-registered in the Spring are considered registered unless a change was indicated by mail. Number 3 school district emphatically states that there will be no registration or distribution of texts to high school students on August 28 or 29. Late registrations and final distribution of texts will take place Friday, September 1st from 9 a.m. to 3 p.m. Buses will be in operation on registration day at the times shown on the schedule. For complete busing schedule, refer to the advertisement in The

Gazette.

The Thibault District schools will open at 9 a.m. Monday, August 28 for staff only. Registration of students will commence at 1 p.m. Soon as students are registered, they will be dismissed and classes will start the following day, Tuesday, August 29 at 8:55 for everyone, with buses operating.

Schools in the No. 24 Sturgeon Divisional system will register students on Monday, August 28. There will be no classes on August 29 but regular classes will start August 30.

Debbie Reid & Laurie Kelly are married in St. Albert

MR. & MRS. LAURIE KELLY

ANNOUNCEMENT

ENGAGEMENT

Mr. and Mrs. M. B. Tweten are pleased to announce the engagement of their eldest daughter Sharon Yvonne to Mr. Hans Zylstra, son of Mr. and Mrs. T. Zylstra of St. Albert. Wedding to take place at Trinity Lutheran Church, Saturday, August 26th, 1972 at 7 p.m.

ENGAGEMENT

Mr. and Mrs. Mike Krupa take pleasure in announcing the forthcoming marriage of their younger daughter Patricia Ann to Mr. Larry William Tebbutt, son of Mrs. Muriel Tebbutt of Edmonton. Wedding date - September 2, 1972.

In a late afternoon ceremony on August 4, 1972, Debbie Reid and Laurie Kelly were joined in wedlock at St. Albert Catholic Church. The ceremony was performed by Rev. Jake Joly. Wedding music was provided by Mrs. Kennedy at the organ and soloist Mrs. Leon Teller. Eleana Alcadio gave the scripture reading.

The groom was escorted down the aisle by his parents Mr. and Mrs. James Kelly, followed by the bride escorted by her parents, Mr. and Mrs. James Reid.

The bride was lovely in a beautiful gown of white sheer with a fitted bodice trimmed with a sequin and pearl neckline. The full bouffant skirt was caught up at intervals with white roses. Her chapel veil fell gracefully from a sequined and beaded crown.

For something old the bride wore a diamond engagement ring of the groom's great grandmother loaned to her by Mrs. Donna Stepney, sister of the groom. She carried a cascading bouquet of red roses.

Sisters of the bride Myrna and Terry attended as maid of honor and flower girl respectively. Madeline Daphanals and Maureen Selben, friends of the bride were bridesmaids. All wore identical gowns of baby blue organza over taffeta, sprinkled with white daisies. The gowns were styled with an empire waistline and featured short puffed sleeves, trimmed with white lace. The bridesmaids wore white picture hats while Terry wore a white and blue daisy wreath, which matched the baskets of white and blue daisies the attendants carried.

Best man for the groom was Art Lechewski and groomsmen were Ron Kennedy and Mike Kolind.

Ushers were Mike Bachand and Shawn Harvey.

The bride's mother chose a floor length gown of deep turquoise chiffon, accented with pearls and a pink carnation corsage.

The groom's mother wore a full skirted floor length gown with a white lace bodice and black and white skirt. She wore a white picture hat to complement her ensemble and a deep pink carnation corsage.

After the ceremony a reception was held for 170 people at the Purple Dye, followed by a dance. The music was ably supplied by the Satellites orchestra.

The master of ceremonies was Bill Reid of Vancouver, uncle of the bride and Past National President of the Kinsmen Club of Canada. The toast to the bride was also given by Bill Reid, who had as flower girl at his wedding the bride at the age of three.

Mr. Phil Stepney from Toronto, brother-in-law of the groom, did an excellent job of the wedding photo-

graphy.

Singing "With This Ring" the bride and her sister Myrna treated the guests to an enjoyable surprise.

Going away outfit of the bride was a pale blue box pleated slack suit with a pastel striped blazer topped with a pink turtleneck sweater.

Numerous out of town guests included Mr. and Mrs. Phil Stepney, Toronto; Mr. and Mrs. Ed Musselman, Chilliwack; Mr. and Mrs. N. Kelly and Brenda, Richmond; Mr. and Mrs. Bill Reid and family, Vancouver; Mr. and Mrs. Jeff Armstrong and family, Chilliwack; Mr. and Mrs. Aubrey Musselman and family, Chilliwack; Mrs. Myrna Goodey and family, Chilliwack; Mr. and Mrs. Bob Musselman and family, Ft. Seen above are: Premier Peter Lougheed of Alberta, presenting the 1972 Farm Award Scroll to Mrs. John Stevens, left, with Mr. John Stevens seen at right of the premier. Also present for the occasion were the other members of the family, their only son, Jack, looking approvingly from behind his mother, with Mr. Jack Bailey, president of the Edmonton Exhibition Association in Klondike dress. Next to Mrs. Stevens Sr. stands Mrs. Jack Stevens, and also on hand were the two grandchildren, Miss Catherine Stevens, 7 and John Jr. 5, taken during the Edmonton Exhibition week.

Stevens Farm Family Receives 1972 Award

By Rose Martel

Congratulations to the John Stevens family, RRI Morinville, who were the winners of the 1972 Farm Award for the MD of Sturgeon, and sponsored by the Morinville Board of Trade. The Stevens family was also presented with an honorary Sourdough Certificate signed by Mayor Ivor Dent of Edmonton, with the official seal of the City of Edmonton.

The history of the John D. Stevens farms, began in 1914 when his family moved from South Dakota, and established on the present farm. In 1925, after the death of his father, the late John I. Stevens, Mr. John Stevens Sr. continued to expand in partnership with his own son, John D. (Jack), who is assisted in a very small way

today, by his own five year old son, John M. Jr.

Today the main source of income for the very well known Camilla Farms, which is owned and managed as a family unit, is from ROP Registered Aberdeen Angus cattle. The famous herd was started in 1950 with the purchase of three heifers and a bull, from the Bourgeois Bros. and shortly after more heifers and another bull was added to the herd from the late Walter Elliott, all from the district.

The name Camilla was chosen for the farm, and today "Camilla" is known throughout Canada, the United States and many other countries through the sale of Canadian Colossal Camilla 37T (the million dollar bull) which the Stevens sold

for \$5,000 some years back. Today, Camilla Farms are visited by the best breeders in the country, across Canada and the United States. Cattle are sold and shipped throughout North America.

One of the few compensations for all the extra work in raising purebreds is the many interesting people one meets, according to members of the Morinville Stevens Family.

By Liz McLeod

Calahoo WI met in the Gazebo to let interested folks know how to prepare flowers and vegetables for the forthcoming flower show on August 23. There were at least 20 ladies present and considerable interest was shown.

Mrs. Theresa Kaup, Mrs. Elizabeth Witchen and Mrs. Annie Bernard and daughter were visiting in the district and stopped at Grope's and McLeod's.

Cliff and Diane Fowler were happy to share a four day visit with Cliff's brothers, Don and Donna and three children from Vancouver and Tom and Betty and three children from Calgary. The two families arrived just a day apart and having their own campers worked out very well and the children could get to know each other better.

Diane Fowler's sister, Miss Cheryl Matka came out for a visit and asked to take her niece and nephew Donnie and Shauna back with her so they could also enjoy her staff picnic and visit with her a few days.

Hans and Marianne Lummer and children came out to visit Hans' uncle, Mr. Joe Freitag and brought his new employees, Mr. Heinrich Kuhnle, who is Werner

Christen's nephew from Switzerland, along to visit at Christen's for the afternoon.

Norma Dunstall was a very happy girl who telephoned from her Aunt Gwen Wylie's to say she was going home to Crescent Beach, Surry, B.C., with a friend and former school teacher Mrs. A. Widrick from Sanguito. The family converted an old school bus and will spend a couple of weeks out at the coast. Norma has spent six weeks holidaying in Calahoo, Onaway and Sanguito area.

The Grant Moellman's had a get-together at their house on August 19. Angle's two brothers, Emil and Lionel Royer are setting up a glass factory business at Fort McMurray. Thirty-five guests enjoyed the party and wished these young men bon

voyage in their new venture. Young Pamela Moellman came out of the hospital with a full leg cast and crutches but has since tossed them away and since the cast broke has now a shorter, firmer one on and is doing real well walking.

Walter and Mary Victor accompanied by Marcel and Theresa Kerckhof enjoyed a sightseeing trip to Lethbridge and came home via Benif to witness the destruction from that hurricane that ravaged that farm home.

Many visitors enjoy weekend in Calahoo

By Liz McLeod

With the weatherman co-operating famously on this 19th and 20th weekend where the 12 team fastball tournament was held on Calahoo's sports grounds the huge crowd cheered wildly for Calahoo who were outsmarted by New York Life ball team who won the top prize of \$150.00. Calahoo Chiefs received the \$100 for runner-up. At one point the game was held up while one player shoo'd two young toddlers who were playing inside the fence through the hole where they had gained entrance.

Fastball draws were scheduled for noon, 2 p.m. and 4 p.m. finishing in time for everyone to enjoy the barbecued beef and all the trimmings that the Sports Club prepared. Many members of the community were hard at work producing the scrumptious meal. The occasion was the first evening the Gazebo doors could be left open all summer. The new paint job has the Gazebo looking really neat.

Sunday dawned bright and clear and the tournament resumed at 10 a.m. Tension was really mounting by the time Ellerslie and Pibrock met at 4 o'clock. The game was even till Pibrock's first base man had to be rushed to hospital after he tore the ligaments in his arm separating it from the shoulder. This was a recurrence of the same injury suffered in June. His love for the game overshadowed his commonsense since he was warned not to rush

things. We all wish him well. Ellerslie ran away with the game 12 to 2 after this unfortunate mishap.

In the B event Ellerslie won 18 - 4 over the Colts and Ellerslie received the \$70 purse with the Colts receiving the \$30.00.

After the finals the people moved into the Gazebo to be present while Jack Dhoedt manager of the Calahoo Chiefs had a pleasant duty to perform, in passing out the smart mauve sports jackets that were ordered for players on the Calahoo Chief's team and this correspondent.

The community appreciated all the fine players, their friends and relatives who came to Calahoo these two days to help make this tournament such a success.

All the organizers and

the workers in the concession booth, the Sports Club on Saturday and the Parish workers on Sunday are to be commended.

It was nice to visit with so many fine folks including Ernie and Shirley Jamison, publishers of the Gazette and their friends Rene and Delores Kambourff and Mr. and Mrs. Ed Savole of Villeneuve who runs a Shell service station.

Also a fine gentleman and pioneer of our district Mr. Simon Ireland who is 85 years young and can recall hard times in his childhood and thinks he is well off now.

One businessman to another: "I wanted my son to share in the business, but the Government beat him to it."

MORINVILLE MEMOS

By Rose Martel

Mrs. Christine Vranas and daughters Wendy and Karen spent a short holiday at Pocatontos and Jasper. Enroute they stopped to visit Mr. and Mrs. Joe Pitt at Falls, former residents of Cardiff, Alberta.

The Harvey Vranas's enjoyed a very pleasant surprise visit from Tony and Betty Dets of North Surrey, B.C., formerly of Morinville. They spent an enjoyable afternoon renewing old acquaintances.

Soon various clubs and organizations will resume their regular activities, and once again we would like to remind all secretaries, and club reporters, that the new deadline for news is **FRI-DAY NOON**, for the next week's edition of the Gazette. Among those on time, are the Morinville MRY, who will host a teen rock music dance in the Morinville Recreation Centre on Friday, August 25 from 9:30 to 1 a.m. The music will be supplied by the "Greer" Slave" band of Edmonton.

Namoo 4H Beef Club holds windup barbecue

By Wendy Bowman

On Friday, August 18 at 7 p.m., the members of the Namoo Club along with their families held their wind-up party for the year. This took the form of a barbecue. It was a lovely evening and the food was delicious. The steaks were cooked by some of the members of the club.

There were quite a few guests of honor as this is the only way the members can thank them for the help they have given the club all year. The guests were Mr. and Mrs. Jack Beare, representing Kodak Electric, Mr. Gordon Hamilton, representing the Royal Bank, North Edmonton Branch; Mr. and Mrs. Clayton Crozier, representing the Namoo Community League; Mr. Brian Kitchen, representing Master Feeds Ltd., Mr. and Mrs. Bob Burns - Bob was one of our livestock judges this past year; Mr. and Mrs. Melvin Clark and Mr. and Mrs. Terry Bockoc. Mr. Clark and Mr. Bockoc were our public speaking judges. Mrs. Alma Paul - who so very kindly marked our record books; Mr. Jack Stott who was one of our showmanship and grooming judges on achievement day.

The high part of the evening came with the passing out of the awards: The Royal Bank Trophy for the "Champion Calf" went to Joan Waterhouse; The Don Dan award for the best all round member went to Dwayne Ash. Dwayne also won the Master Feeds award for the best rate of gain.

Janice Carruthers won two awards - The Craig Cameron trophy for showmanship and the Club award for grooming.

Laurel Horricks won the Namoo Community League award for senior public speaking and the Kodak

Electric award in the junior division for public speaking went to Ross Horricks.

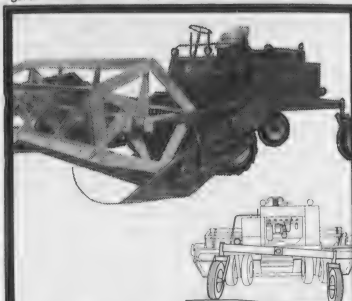

The club put up an award for the best first year member. This was won by Tim Sweetnam. The J. C. McLeod award for judging was awarded to Wendy Bowman and Wendy also won the Sunnyside Ladies Club award for the best kept records.

After the awards were given out Mr. Bowman pre-

sented each and every member with a plaque. Telling of each ones achievements thru the year.

Dwayne Ash, Don Sweetnam, Laurel Horricks and Tom Bowman were MC's for the entire evening.

I would like at this time to extend a sincere thanks to Mr. and Mrs. Bud Horricks who so very kindly let us use their lovely yard for our barbecue. And also a big thank you to everyone who made this year such a great year for all of us.

4H leaders and members who attended the seventh annual 4H Conservation Camp completed recently at the James River Bible Camp near Sundre, Alberta. Among the 48 in attendance was Debbie Uchacz of Morinville. The six-day camp is sponsored by Calgary Power Ltd., Alberta Power Limited and Northland Utilities Ltd. who work in co-operation with the 4H and Junior Forest Warden Branch of the Alberta Department of Culture, Youth and Recreation, the Alberta Departments of Lands and Forests, and Environment and the Olds College. The theme of this year's camp was "Five in One" with the five study areas; soil conservation, water conservation, forest conservation, fish and wildlife management and range management all encompassed in the general message -- conservation.

Gibbons Council discusses plans for future development

The Village of Gibbons Council met with representatives from the Alberta Housing branch and the Edmonton Regional Planning Commission August 9 for discussion on the potential for development in the village and desirable development standards and policies. The village engineers attended as well.

Council questioned the representative from the housing branch on what assistance might be available from his department and development standards were discussed at length with the engineers and planning representatives.

Permission was finally granted A. Sustrik to move a new house into the village.

age, but councillors were somewhat reluctant in consenting because of the unsightly condition of the property already owned by the applicant.

The old village tractor with front end loader and mower will be offered for sale by tender.

A bylaw was passed authorizing the adoption of the 1972 assessment for tax purposes in 1973.

It would appear that most people of the village have a dog running loose with no regard for neighbors' gardens or lawns. Only a few have purchased dog licenses but this still does not mean that dogs can run loose. Hopefully this will be remedied in the near future.

Popular Legal Couple Wed In Double-Ring Ceremony

By Lucienne Montpetit

Marie Elaine Pelletier was united in holy matrimony to Bertrand Sasseville in St. Emile's church on August 12.

Marie is the daughter of Mr. and Mrs. Arthur Pelletier of Legal, Bertrand is the son of Mr. and Mrs. Thomas Sasseville from Falher. Father Roland Bissonnette performed the double ring ceremony before an altar banked with baskets of beautiful summer flowers.

The wedding music was played by Patsy Montpetit and the soloist was Lucien Sasseville, brother of the groom.

Given in marriage by her father, the bride was lovely in a floor length wedding ensemble. Her sleeveless lace coat with a long train was worn over her A-line satin gown fashioned with a hood and long sleeves.

Her 3/4 length matching lace veil was held in place

by a flowered crown encased with tiny pearls. She carried a bouquet of red roses.

Maid of honor Annette Pelletier, sister of the bride wore a long gown of hot pink crepe with a chiffon overlay and bridesmaid Lise Sasseville chose a blue satin gown with matching lace overlay. They carried nosegays of white and pink baby roses.

Petite Cheryl Pelletier, niece of the bride was flower girl. She was charming in her pink crepe formal trimmed with white daisies. She carried a basket of white and pink daisies.

The groom's attendants were Germain Sasseville and Marcel St. Louis. Ushering the guests in church were Maurice Pelletier and Mr. Sasseville.

To receive her guests Mrs. Pelletier chose a long gown with a pale pink bodice, with a printed flowered chiffon

dress Friday, August 25. Senior citizens, after the barbecue there will be fun and games. Starts at 7 p.m.

Mark your calendar for Sept. 15 for the Hale Board bingo.

skirt, complimented by a corsage of red roses.

Mrs. Sasseville looked lovely in her floor length gown of gold tulle accented with gold sequins. She wore white roses encorage.

Following the ceremony a banquet and an evening reception was held at the community hall with Lucien Sasseville as master of ceremonies.

For her wedding trip to British Columbia the bride donned flowered crimplene hot pants. The couple will reside in Edmonton.

The show lasted for about one hour and a half, featuring a variety of comedy, water safety displays and water demonstrations. The Edmonton Kippers, a group of young synchronized swimmers, gave the audience

some excellent routines to enjoy. It really was a fun evening and the large crowd had a good time.
